

Let Misfit put a smile on your Best Friend.

We are now offering Dentals for your dogs!

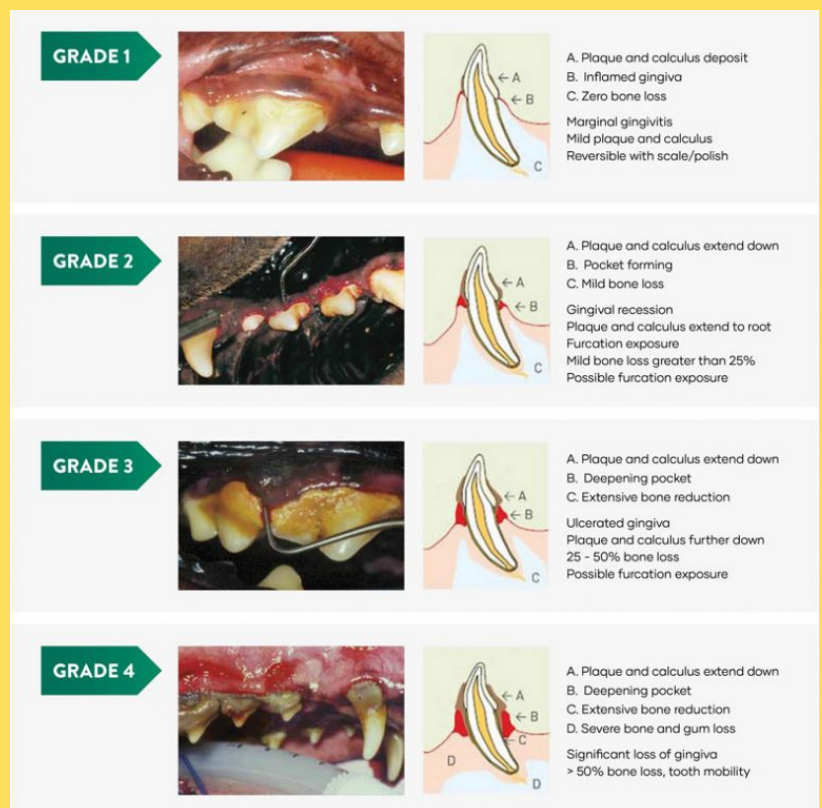

Did you know bad teeth can cause health issues in your best friend?

1. Heart problems-(Bacteria can travel to the heart & cause infections in the heart)
2. Liver abscesses
3. Sepsis-(infection in the blood)
4. Poor appetite
5. Osteomyelitis-(bone infection)

Don't let this happen to your Best Friend

We will be offering Grade 1, 2, and 3 cleanings. Grade 4 is very extensive and will need to be seen by a Dental specialist.

Come in for a Free Dental assessment Tuesday, Wednesday, or Thursday from 12:00 to 03:00, so we can schedule the appropriate date for your pups cleaning. If you're not a client of ours there will be a \$25.00 exam fee.

We will not be offering Feline Dentals.
